A special spotlight on the Furniture Ministry: Prayers Answered!

We'd like to welcome Jane and Paul Theisen as the new Gap Ministry Leaders of the Furniture Ministry team. The Theisen's came on board in June as the new Gap Leaders, and it has been a blessing to have them as leaders. We thank the Lord for their heart to serve in this role!

The Furniture Ministry is a very active part of Love INC. The team reaches out to an average of 10 families per month, providing them with gently-loved furniture items! The highest requested item is still beds. Many of the Neighbors we help come from difficult situations - like domestic violence, disabled veterans, individuals starting their lives over, or coming from apartments with bedbug infestations. Others are for people with medical problems who need sturdier beds or couches to help manage their pain, and they just can't afford to replace it. Our Furniture Ministry is a blessing to the community, and our new leaders Jane and Paul are such a blessing to us! We are grateful for the Furniture Ministry Volunteers and their dedication to serve our families in need, in the Name of Christ.

LOVE STORY

Furniture and Bedding Teams Join Forces

On June 17th, Furniture and Bedding Ministries joined forces to serve the Lord on a Saturday morning. The Furniture Ministry had a long list of deliveries, and fewer hands on deck than usual, so the Bedding Ministry volunteers decided to step in, along with another family member, and assist by bringing a trailer and helping deliver furniture.

One delivery in particular was especially touching; the delivery was to an elderly lady who was going in for surgery the next month. They set up the bed and made the bed for her. She was so excited to have a good quality bed, since she was going to be spending a lot of time in bed the next month recovering. She also thought it was the greatest thing that the team delivering to her was a mom, dad, and daughter all serving together. It was a great experience for everyone!

It was wonderful for the Bedding Ministry to be able work with, and get to know their fellow Volunteers. To be able to give out both furniture and bedding on the deliveries, was truly a blessing!
