## Love INC Is Moving To Sheboygan Falls

Katie Popp, Executive Director of Love INC, along with Volunteer Project Coordinators Rick LeMahieu and Jim Fasse announce the new location for the Love INC operation in Sheboygan Falls. We are grateful for prayers answered, the on-going support of the Brotz Family Foundation, the

blessing of project coordination by Rick and Jim, and this wonderful space and the Volunteers and contributions to fully furnish and operate it. This bigger facility will enable us to fulfill our mission to "mobilize the local Christian Churches to transform lives and communities through relationships, In the Name of Christ" by launching our Transformational Ministry initiative. Businesses and individuals are invited to provide financial support or in-kind donations for the following needs: computers and other office equipment, office supplies, wall and office decor, projector and screen, and lighting, painting, and electrical supplies. We are a tax-exempt 501c3 organization. Please contact Katie at 920-783-6705 or email [katie@loveincsheboygancounty.org](mailto:katie@loveincsheboygancounty.org) for specifics. ## HIGHLIGHTS

### TM Program Launches in Sheboygan County

On Thursday, June 7th, the Love INC Transformational Ministry Program officially launched by kicking off the first-ever class of Affirming Potential, open to the public! We are so thankful for the support of Calvin Christian Reformed members and Love INC Volunteers that provided tremendous provisions for this first evening of the Summer Session. A wonderful meal of pulled pork, coleslaw, fresh fruit and vegetable, and two desserts were served for every person there,

whether participant or Volunteer! We are thrilled to have officially moved into our next mode of development, where we begin walking with our Neighbors more long-term, focusing on providing knowledge, skills, and support, and sharing the love of Christ. Praise God for the amazing work He is doing in Sheboygan County! To get involved with TM Thursdays, see the Volunteer Opportunities section of this Bulletin for ways to serve, and call or email Jenna to sign up.

# LOVE STORY

## Mobilizing Volunteers

Love INC was able to mobilize a Volunteer to complete some much-needed yard work for a Neighbor. The Neighbor is a 55-year-old woman who is physically disabled. Her grandchildren live with her, and she is doing the best she can to provide for them. The Volunteer willingly drove to the Neighbor's house in advance of the scheduled work date to assess the job. After the completion of the yard work, the Neighbor expressed her great appreciation for the work done. She was incredibly ecstatic on the phone, exclaiming "*The work that was done was beyond my expectation. He [the Volunteer] did a fantastic job and everything looks so beautiful again! I just can't say enough about how grateful I am!*" The Volunteer humbly replied "*If I was even a little bit of encouragement to her, that would give me joy.*" God has blessed us with wonderful Volunteers who are willing to serve Him in meeting our Neighbors' needs. Praise be to God!
